Weekly update

Up to and including Saturday 22nd March 2014

Today's update covers the period between Sunday 16th March 2014 through to Saturday 22nd March 2014.

As we are now fast approaching the end of the FNL 2013/14 season I thought in today's update we would take a look at the details for the end of the competition. The FNL 2013/14 season will finish on Sunday 18th May 2014 after the final whistle of the Skrill Premier Play-Off final At Wembley. After that game has finished the end of season bonuses will be awarded as follows.

All League Champions will receive 200pts for winning their respective leagues. Depending on the make-up of the winners of the six leagues in The Mixture this could amount to a maximum of 2,400pts. But for that to happen it would mean that every league winner of the six leagues in The Mixture would have to be in the FNL 2013/14 Competition.
Cup Winners will receive 150pts for the FA Trophy and 100pts for the other Cups. Which are the Doodson Sports Cup (Evo-Stik), Robert Dyas League Cup (Ryman) and Red Insure Cup (Calor). Please remember that these cup bonuses will be awarded at the end of the competition not after the finals.
(Please Note - You will only be awarded the League & Cup Winners End of Season Bonus Points if you picked the winners at the beginning of the season and did not substitute them in!!).

The bottom team only in each league at the end of this season's FNL will be awarded -100 bonus points.
(Please Note - You will only be awarded the relegation End of Season Bonus Points if you picked the bottom team from each league at the beginning of the season and did not substitute them in!!).

All the play-off games will be treated as league games and no bonus points will be awarded.

Finally please remember that the April 2014 Manager of the Month will be the final one of the FNL Season.
