SATURDAY 20TH FEBRUARY**

Welcome to the latest update of Fantasy Non-League 2020/21. Today's update covers the period Sunday 14th February 2021 through to Saturday 20th February 2021.

Before we get into this week's update, a quick word about substitutions. I have updated all your changes and they are all now in play. Remember you can tell if your subs have been activated because your team name will have the following behind it [S] if it hasn't and you sent your subs in please contact the FNL Helpdesk. Also remember that the subs kick in from February 1st, 2021 and not the 1st of January as normal. But sadly, these aren't normal times.

Then they was just one! Just one league for us to concentrate on and a few

FA Trophy games here and there. As I have said we will continue with the Fantasy Non-League 2020/21 as long as there is a ball being kicked.

We are of course once again very close to the end of another month and as you are reading this on the last day of February 2021. It has been a very strange month and that is reflected in the small number of points that have been claimed. Tegans

Terriers are leading the way with 515pts and they are 4pts ahead of second placed Colston Strollers. In third place is Chalvey Torino who are 18pts behind our February 2021 leader. At the bottom it is A Norwich Stone who is in line for the wooden spoon £50.
