UPDATE

SATURDAY 20TH MARCH

Welcome to the latest update of Fantasy Non-League 2020/21. Today's update covers the seven-day period Sunday 14th March 2021 through to Saturday 20th March 2021.

Well, we are now fast approaching the end of another month and when March 2021 comes to an end, we will have roughly two and a half months left until the end of this very strange season. As we limp to the end with just one league recording points for your teams, I thought I would take my first look at how the season will finish. The final league games of the season are on Saturday 29th May 2021 that will also be our final Manager of the Month.

Then we will have the play-offs in the National League and after the final whistle of the National League Play-Off final I will be awarding the

By Ian White

end of season bonuses. Now like last season the bonuses will be awarded as follows all the leagues that have stopped will be treated as though they had finished the season. So for example in the Southern League Central Division Coalville Town will be awarded the End of Season bonus 250pts if you selected them at the start and 125pts if you brought them in as a sub. At the bottom, the same points will be awarded to Barwell but of course they will be -250pts and -125pts respectively.

The only cup competition that will gain End of Season bonuses points will be the 2020/21 FA Trophy.

Finally, please note that the 2019/20 FA Trophy final that is being played at the beginning of May 2021 is not part of the FNL 2020/21 Season.
