WIN £5,000

Weekly update

Up to and including
Saturday 7th December 2013

In today's update another reminder about the details for activating your FNL 2013/14 Substitutions. The FNL 2013/14 Substitute Window is open now and runs through to midnight on Tuesday 31st December 2013. This is the only period you have to inform me who you want to move out and in. The substitutions will then take effect from Wednesday 1st January 2014. All substitution requests must be in writing either via e-mail to the FNL Helpdesk or by post to FNL Substitutions, 4 Wightmans Orchard, Piddletrenthide, Dorchester, Dorset, DT2 7QQ. No telephone activation's will be allowed. You are permitted to change up to 3 teams out of the 5 teams you selected on your entry form. You can change any team you like they do not have to come from the same league that also includes your wildcard selections.

All the Hinckley Utd changes have been done and I am really hoping we don't have any more this season.

Finally I have had a couple of phone calls to the FNL Helpdesk asking me about the names of the relevant league cups in the leagues that feature in FNL 2013/14. All three Skrill leagues don't have a league cup. The Evo-Stik Northern League is called the Doodson Sports Cup. The Ryman League Cup is called The Robert Dyas Cup and the Calor Gas League Cup is called the Red Insure Cup.

The Top 3 teams currently leading the November 2013 Manager of the Month.
