

Weekly update

Up to and including
Saturday 8th March 2014

Today's update covers the period between Sunday 2nd March 2014 through to Saturday 8th March 2014. This week's update sees our second look at the substitute comparisons.

Below is the list of teams who asked to be part of this comparison and their point's difference. If it is a positive number then you are scoring better with your subs in place. If it is a negative number you should have kept your original choices unless of course you were trying to finish bottom!!

The numbers in brackets, the first is your position if you hadn't used subs and the second is your actual position in the current FNL 2013/14 Table.
