

# Weekly update

Up to and including  
SATURDAY 3RD MAY 2014

Today's update covers the period between Sunday 27th April 2014 through to Saturday 3rd May 2014. In today's update we of course reveal our final Manager of the Month winners for this season, remember from last week just how tight this April 2014 Manager of the Month run in had become.

Our final Manager of the Month for the FNL 2013/14 season has now come to an end and it's time to announce our two April 2014 winners. Top spot for the month and a £100 goes to Gravesend United who are 138th in the main FNL Table. They finished the month with 2,379pts. In second place and now £50 better off is SandGrowNuns 5 who are 310th in the main table, they finished the month of April only 6pts behind our winner and just missing out in 3rd place was Pete's Pot Luck who are placed 356th in the main table, they finished the month 22pts behind our final Manager of the Month winner. This final month's top 10 only had 59pts between 1st place and 10th a very close month indeed to finish this season's Monthly prizes so congratulations to our two winners.

The end of the month league leader and bottom club bonuses (April 2014) also came into play in the final Manager of the Month calculations and they go to the following clubs. (League Leader named first).

Skrill Premier – Luton Town/Hyde, Skrill North – AFC Telford Utd/Workington,  
Skrill South – Eastleigh/Dorchester Town, Evo-Stik Premier – Chorley/Droylsden,  
Ryman Premier – Wealdstone/Cray Wanderers, Calor Premier – Hemel Hempstead Town/Bashley  
The Mixture – One league leader Cirencester Town. One bottom club Ashford Town (Mdlx).

In next week's update I will be running our final FNL 2013/14 substitution compassion report and you can still be part of this. So if you want to know how your team/teams would have fared had you not made those changes back in January then please get in touch with the FNL 2013/14 helpdesk.
