

# Weekly update

Up to and including  
SATURDAY 4TH OCTOBER 2014

Today's update covers the seven days between Sunday 28th September 2014 through to Saturday 4th October 2014. In today's update we name our first Manager of the Month of the new FNL season.

Well we have now reached our first Manager of the Month award for the 2014/15 Season. This award is a joint one that covers both August and September. In first place and the winner of £200 is ThisIsOurTime, they finished the month with 4,201pts. In second place 17pts behind is Jude And Nella who picked up £100. In joint third place and just missing out were Hobbiton & Two Left Feet who finished 20pts behind our winner.

For the first time ever in the FNL we are awarding £50 to the team that finishes bottom each month. Our reason for doing this is because so many of you enter teams to try and finish bottom that we thought it was only fair to give you a monthly chance of winning some cash. This first bottom award is actually shared by three teams who will all receive £16.70. The three teams are DeeJay Losers, Joshuas Jewels and The Muppets who all scored 1,427pts; they finished 30pts adrift from their closest rival.

The September 2014 end of season league bonuses go to the following teams. The first named club is the league leader and the second is the bottom club.

Vanarama Premier – Barnet/AFC Telford Utd, Vanarama North – AFC Fylde/Hyde,  
Vanarama South – Boreham Wood/Wealdstone, Evo-Stik Premier – Buxton/Belper Town,  
Ryman Premier – Maidstone Utd/AFC Hornchurch, Southern Premier – Poole Town/Arlesey Town,  
The Mixture - Section 1 – Salford City/Brigg Town, Section 2 – Sittingbourne/Cray Wanderers,  
Section 3 – Merthyr Town/Bedford Town.
