

# Weekly update

Up to and including  
SATURDAY 13TH DECEMBER 2014

Today's update covers the seven days between Sunday 7th December 2014 through to Saturday 13th December 2014. In today's update another reminder on how to activate your substitutions as the changeover date gets closer and closer.

You have 10 days left to send in your substitutions. Your new teams will become active on Thursday 1st January 2015. Please remember that you can make up to three subs and you can change any team it doesn't have to be from the same section or league. The three subs must come from the five subs that you listed on your entry form at the start of the season.

You can send your subs to me either by e-mailing the FNL Helpdesk (e-mail address below) or by post to FNL Helpdesk 4, Wightmans Orchard, Piddletrenthide, Dorchester, Dorset, DT2 7QQ. You can also text your subs if you wish; the mobile number is listed below with the FNL Helpdesk details. Please note your substitution request must be in writing, no requests will be taken over the phone.

Please remember for the first time in FNL history subs will qualify for half end of season bonuses. So if Barnet win the Vanarama Conference Premier and you bring them in on 1st January 2015 you will receive 100pts as an end of season bonus.

Finally if you can't remember what sub teams you picked please contact the FNL Helpdesk.
