

Weekly update

Up to and including
SATURDAY 22TH NOVEMBER 2014

Today's update covers the seven days between Sunday 16th November 2014 through to Saturday 22nd November 2014.

Well how time flies, can you believe that you are reading this update on Sunday 30th November and that can mean only one thing, substitutions. You chance to dump those three teams that are really letting you down in your attempt to win some cash. The window for you to inform me of your subs opens tomorrow 1st December. You have 31 days to send in your subs. Your new teams will become active on Thursday 1st January 2015. Please remember that you can make up to three subs and you can change any team it doesn't have to be from the same league. The three subs must come from the five subs that you listed on your entry form at the start of the season.

You can send your subs to me either by e-mailing the FNL Helpdesk (e-mail address below) or by post to FNL Helpdesk 4, Wightmans Orchard, Piddletrenthide, Dorchester, Dorset, DT2 7QQ. Your substitute request must be in writing, no requests will be taken over the phone.

Please remember for the first time in FNL history subs will qualify for half end of season bonuses. So if Barnet win the Vanarama Conference Premier and you bring them in on 1st January 2015 you will receive 100pts as an end of season bonus.

Finally if you can't remember what sub teams you picked please contact the FNL Helpdesk.
