

# Weekly update

Up to and including  
SATURDAY 30TH JANUARY 2016

Welcome to the latest update of Fantasy Non-League 2015/16. Today's update covers the period Sunday 24th January 2016 through to Saturday 30th January 2016.

Well we have only one more day of the January Manager of the Month to go and it is quite tight at the top. Chosen Men are in top spot with 1,915pts and only 6pts behind in second place is CherryHinton RL and in third place 21pts behind our leader is JawBone.

On Sunday 31st January 2016 we only had one game that would make any difference to the January 2016 Manager of the Month table. That game was Gloucester City v Boston Utd. If CherryHinton RL have either of these teams he could in fact take the top spot. Though of course Chosen Men our leader may also have either of these teams and he will be able to hang on to top spot. It's a little more difficult for the third placed team JawBone who are 21pts behind our leader and 15pts behind second, but all he needs is to have the winner of the game between Gloucester City Boston Utd game. Now I have said that I bet the game ends in a draw. Anyway you will have to wait until next week to discover who has been victorious.

At the bottom it is just as tight with Off The Back in line to grab the £50 for finishing bottom in January 2016. They are 21pts adrift of their nearest rival Frome Floppers. So will Gloucester City or Boston Utd play a part in who finishes bottom?
