

# Weekly update

Up to and including  
SATURDAY 12TH MARCH 2016

Today's update covers the seven-day period between Sunday 6th March 2016 through to Saturday 12th March 2016. In this week's update we name our latest Manager of the Month winners.

In today's update we take our second look of the season at the substitute comparisons. What I have done here is I have kept the original spreadsheet without any changes on it and that is running alongside the spreadsheet with the subs activated.

The figure after your team name will be either a plus or a minus which will be the figure that tells you whether you are better off or worst off because of your changes.

Ashburton Rovers +184pts, Ashburton Moor +187pts, FC Ashburton +282pts, Silver Fox FC +234pts.  
Huthwaite Stag 57 +254pts, Ashburton Villa +272pts, Dingle Den +202pts, Spyway Hill +140pts.  
StaffyManBuxtown +76pts, OwlsToWin +197pts, Ashburton Town +78pts, Eastern Promise 1 +55pts.

Jamelgina FC +62pts, Eagle Wrekin Crew +167pts, Micks Brit Army +20pts, Athletic C Dog + 62pts.

Ten weeks have now passed since your substitutions kicked in and the team that has benefited the most from making changes is Livlongdiolong who are 555pts better off. At the other end of the scale the team that has the highest negative score is still Barstonians who are -367pts worse off.
