

# Weekly update

Up to and including  
SATURDAY 22ND OCTOBER 2016

Welcome to the latest update of Fantasy Non-League 2016/17. Today's update covers the period Sunday 16th October 2016 through to Saturday 22nd October 2016.

Our current leader of the main FNL table is SUFC Weston Branch. They have so far this season scored 7,580pts. But how far are they off maximum points? In other words, have they picked the top 31 teams? I doubt it but let's have a look and see how well our leader is doing.

The top 31 teams taking into consideration the sections you must pick from are.

#### Section One

Dagenham & R 283pts  
AFC Fylde 304pts  
Dartford 263pts  
Buxton 254pts  
Bognor Regis 220pts  
Chippenham T 283pts  
Trafford 198pts  
AFC Rushden 188pts

#### Section Two

Lincoln City 254pts,  
FC Halifax 297pts  
Maidenhead Utd 315pts  
Nantwich T 249pts  
Leiston 344pts  
Hitchin T 205pts  
Carshalton Ath 210pts  
Lewes 204pts

#### Section Three

Tranmere 206pts  
Kidderminster 271pts  
St Albans 271pts  
Spennymoor T 289pts  
Tonbridge A 256pts  
Slough Town 325pts  
Hereford 334pts  
Chalfont St Peter 233pts

#### Wildcard

Forest Green 250pts.  
Brackley T 253pts.  
Hampton & R 249pts  
Whitby T 237pts  
Needham M 232pts  
Leamington 284pts  
Taunton T 232pts

So all of those added together come to a grand total of 7,993pts. That is the total you would have if you had picked all those 31 teams. So our leader SUFC Weston Branch is 413pts short of maximum points. Not bad at all. How many of those have you got?

Next week we will take a look at the other end of the table and see how our bottom players are doing.
