

# Weekly update

Up to and including  
SATURDAY 5TH NOVEMBER 2016

Welcome to the latest update of Fantasy Non-League 2016/17. Today's update covers the period Sunday 30th October 2016 through to Saturday 5th November 2016. In today's update we name our second Manager of the Month of the season as October 2016 comes to an end.

Well we have now reached our second Manager of the Month award for the 2016/17 Season. This award is for the month of October 2016. In first place and the winner of £100 is Portman Blues, they finished the month with 2,943pts. In second place and only 5pts behind is Any Korner who picked up £50. In third place and just missing out was Bashlers who finished 17pts behind our winner. Finishing in bottom place in the month of October 2016 and winning £50 is Derek Howarth who finished with 1,333pts. He finished just 12pts adrift from their nearest rival YTFC.

The October 2016 End of Season league bonuses go to the following teams. The first named club is the league leader and the second is the bottom club. (Remember these bonus points only count towards the main points total, not Manager of the Month).

National League Premier – Forest Green Rovers/North Ferriby. National League North – AFC Fylde/Bradford Park A.
