

# Weekly update

Up to and including  
**MONDAY 26TH DECEMBER 2016**

Welcome to the latest update of Fantasy Non-League 2016/17. Today's update covers the period Sunday 18th December 2016 through to Saturday 24th December 2016. First things first can I wish you all a very Happy New Year.

Just seven days of the December 2016 Manager of the Month to go. Leading the way at the moment is Tutbarnstormers who has 1,663pts. They are 28pts ahead of second placed Hectors Hero's and 47pts ahead of third placed Portman Blues. The top ten is covered by just 90pts so it could still be a very tight finish to December 2016.

At the other end of the December 2016 Manager of the Month bottom club is Aylesbury Losers they have 654pts. They are 37pts adrift from their nearest rival who is Tractors Utd. The bottom ten teams are covered by 120pts so it is not as tight as at the top.

By the time you read this I will be busy putting in your substitutions which I hope to have completed by the second week in January 2017 at the latest.
