SATURDAY 4TH FEBRUARY 2017

Welcome to the latest update of Fantasy Non-League 2016/17. Today's update covers the seven-day period Sunday 22nd January 2017 through to Saturday 28th January 2017.

Well we have now reached our fifth Manager of the Month award for the 2016/17 Season. This award is for the month of January 2017. In first place and the winner of £100 is Carry On Dick, they finished the month with 2,607pts. In second place and 44pts behind is ForFar Sake who picked up £50. In third place and just missing out was Buster 31 who finished 111pts behind our winner. Finishing in bottom place in the month of January 2017 and winning £50 is Bruces Bitzas who finished with 695pts. They finished just 4pts adrift from their nearest rival Jennie's Jokers.

The January 2017 End of Season league bonuses go to the following teams. The first named club is the league leader and the second is the bottom club. (Remember these bonus points only count towards the main points total, not Manager of the Month).

National League Premier – Lincoln City/York City. National League North – AFC Fylde/Altrincham.
National League South – Maidenhead U/Margate. Evo-Stik Northern Premier – Blyth Spartans/Skelmersdale Utd.
Ryman Premier – Bognor Regis T/Grays Athletic. Evo-Stik Southern Premier – Chippenham Town/Cinderford T
The Mixture – Hereford/Northwich Victoria.

Each month the best and worst teams in each of the seven leagues FNL points wise are awarded 25pts and -25pts. Listed below are those teams. (Remember these points only count in the Manager of the Month calculations not the main season).
National League Premier – Lincoln City/Eastleigh. National League North – Salford City/Altrincham.
National League South – Dartford/Gosport Borough. Evo-Stik Northern Premier – Grantham Town/Mickleover Sports.
Ryman Premier – Leiston/Harrow Borough. Evo-Stik Southern Premier – St. Ives Town/Cirencester*.
The Mixture – AFC Rushden & Diamonds/Great Waking.

*(Both Cirencester Town & Cinderford Town finished the month with -5pts. Cirencester scored less goals than Cinderford so Cirencester were awarded the -25pts).

In next week's update, we will take our first look at the substitutions comparison. If you want to be included in this there is still time, just contact the FNL Helpdesk.
