

# Weekly update

Up to and including  
SATURDAY 1ST APRIL 2017

Welcome to the latest update of Fantasy Non-League 2016/17. Today's update covers the seven-day period Sunday 26th March 2017 through to Saturday 1st April 2017.

Well we have now reached our seventh Manager of the Month award for the 2016/17 Season. This award is for the month of March 2017. In first place and the winner of £100 is Stones Hornets, they finished the month with 2,283pts. In second place and 21pts behind is Carry On Dick who picked up £50. In third place and just missing out was Dave The Druid who finished 24pts behind our winner. Finishing in bottom place in the month of March 2017 and winning £50 is No Hope United who finished the month with 568pts. They finished 35pts adrift from their nearest rival Richard's Losers.

The March 2017 End of Season league bonuses go to the following teams. The first named club is the league leader and the second is the bottom club. (Remember these bonus points only count towards the main points total, not Manager of the Month).

- National League Premier – Lincoln City/North Ferriby Utd. National League North – AFC Fylde/Altrincham.
- National League South – Maidenhead Utd/Margate. Evo-Stik Northern Premier – Blyth Spartans/Skelmersdale Utd.
- Ryman Premier – Bognor Regis T/Grays Athletic. Evo-Stik Southern Premier – Chippenham Town/Cinderford Town.
- The Mixture – Hereford/Northwich Victoria.

Each month the best and worst teams in each of the seven leagues FNL points wise are awarded 25pts and -25pts. Listed below are those teams. (Remember these points only count in the Manager of the Month calculations not the main season).

- National League Premier – Macclesfield Town/North Ferriby. National League North – Darlington/Gainsborough.
- National League South – Maidenhead Utd/Margate. Evo-Stik Northern Premier – Buxton/Skelmersdale Utd.
- Ryman Premier – Dulwich Hamlet/Kingstonian. Evo-Stik Southern Premier – Leamington/Cambridge City.
- The Mixture – Salisbury FC/Chalfont St Peter.

In next week's update, we will take our third look at the substitutions comparison. If you want to be included in this there is still time, just contact the FNL Helpdesk.
