Up to and including
Saturday 30th September 2017

Welcome to the latest update of Fantasy Non-League. Today's update covers the period Sunday 24th September 2017 through to Saturday 30th September 2017. Today we name our first Manager of the Month for the 2017/18 FNL Season.

Well we have now reached our first Manager of the Month award for the 2017/18 Season. This award is a joint one that covers both August and September 2017. In first place and the winner of £150 is Up The Bucks! they finished the two months with 5,502pts, they are currently 3rd in the main FNL Table. In second place and 27pts behind is Stones Hornets who picked up £50, they are 7th in the main table. In third place and just missing out was Version 2 who finished 37pts behind our winner, they are 21st in the main FNL table. Finishing in bottom place and winning £50 is Spraint FC (1,500th in the main FNL table) who finished with 1,157pts. He finished 22pts adrift from their nearest rival Rothwell Losers who is bottom in the main table.

The September 2017 End of Season league bonuses go to the following teams. The first named club is the league leader and the second is the bottom club.

National League Premier – Dover Ath/Torquay U. National League North – Harrogate T/North Ferriby U.
National League South – Truro C/Whitehawk. Evo-Stik North Premier – Shaw Lane/Halesowen T.
Bostick Premier – Billericay T/Worthing. Evo-Stik South Premier – Kettering T/Dunstable T.
The Mixture – Cleethorpes T/Norwich U.

Each month the best and worst teams in each of the leagues FNL points wise are awarded 25pts and -25pts. Listed below are those teams. Remember these points only count in the Manager of the Month calculations not the main season. (This season I have counted August 2017 and September 2017 as one month).
