

Weekly update

Up to and including
SATURDAY 6TH JANUARY 2018

Welcome to the latest update of Fantasy Non-League 2017/18. Today's update covers the period Monday 1st January 2018 through to Saturday 6th January 2018.

I am pleased to announce that all your substitutions have been implicated. You can tell that your changes have been made because you will have [S] after your team name. If you don't have this after your team name and you have sent them in to me, please get in contact with the FNL Helpdesk.

Poole Town in the National League South were without a doubt your favourite club for removal. Hundreds of you moved them out. Let's hope they don't turn their fortunes round in the second half of the season.

At the end of this month, beginning of the next I will be running my first substitution comparison article. This is where you can see how you would have been doing if you hadn't made those changes. So, did you make the right choices? Should I have left in that one and withdrew this one? Well if you would like to find out how your changes have affected your team please get in touch with the FNL Helpdesk.
