**Up to and including
SATURDAY 6TH OCTOBER 2018**

Welcome to the latest update of Fantasy Non-League 2018/19. Today's update covers the period Sunday 30th September 2018 through to Saturday 6th October 2018. In today's update we name our first Manager of the Month winners of the season.

Well we have now reached our first Manager of the Month award for the 2019/19 Season. This award is a joint one that covers both August and September 2018. In first place and the winner of £150 is Marine Life they finished the two months with 4,700pts, they are currently 3rd in the main FNL Table. In second place and 91pts behind is Stafford 4 Ever who picked up £50 for their efforts, they are 6th in the main table. In third place and just missing out was Burrs Boro who finished 127pts behind our winner, they are 10th in the main FNL table. Finishing in bottom place and winning £50 is DeeJay Losers (1,362th in the main FNL table) who finished with 312pts. They finished 30pts adrift from their nearest rival Relegation Fodder.

The September 2018 League Leaders bonuses go to the following teams.

The first named club is the league leader and the second is the bottom club.

National League Premier – Salford City/Braintree Town.

National League North – Chorley/FC Utd of Manchester.

National League South – Billericay Town/Weston-Super-Mare.

Bostick Premier – Tonbridge Angels/Burgess Hill Town.

Evo-Stik South Premier Central – Kettering Town/Bedworth Utd.
