SATURDAY 27TH OCTOBER 2018

Welcome to the latest update of Fantasy Non-League 2018/19. Today's update covers the period Sunday 21st October 2018 through to Saturday 27th October 2018.

I can't believe we are already fast approach the end of October 2018. Of course, that means we are almost at the end of our second Manager of the Month. In fact, as you are reading this update the month of October 2018 has finished and in next weeks update we will be naming our second winners of the FNL 2018/19 season.

So, who is in the running for this second Manager of the Month award? Leading the way is Treacle Town with 2,153pts they are 32pts ahead of second placed Veratone Spires and 74pts ahead of third placed Yab 2. At the bottom is Digshot Park FC who have 316pts and they are 68pts adrift from their nearest rival DeeJay Losers. The bottom ten is covered by 348pts.

Finally, next week will be the second running of the FNL Mini-Leagues. If you are running your own mini-league why not let me do it for you every three weeks your mini-league will be posted on my website. If you would like this to happen please get in touch via the FNL Helpdesk.
