

Weekly update

Up to and including
SATURDAY 19TH JANUARY 2019

Welcome to the latest update of Fantasy Non-League 2018/19. Today's update covers the period Sunday 13th January 2019 through to Saturday 19th January 2019.

Good news I have completed all your changes. You will be able to tell if I have activated your subs because you will have [S] after your team name. If you think I have missed your substitutions or your subs have not arrived then please get in touch with the FNL Helpdesk. However, you only have until the end of this month.

Just a quick heads up for the people I text and the mini-leagues. Now I have completed the subs I will be restarting the texts and the mini-leagues from next week.

Again, this season I will be running a substitution compassion once a month starting in early February 2019. What I do is run a second FNL spreadsheet without your subs and then let you know how you would have done if you hadn't made those changes. If you would like to be part of this please send me an e-mail to the FNL Helpdesk or text me.
