

# Weekly update

**Up to and including  
SATURDAY 26TH JANUARY 2019**

Welcome to the latest update of Fantasy Non-League 2018/19. Today's update covers the period Sunday 20th January 2019 through to Saturday 26th January 2019.

As you are reading this update, we will have passed the end of January 2019. So, who is in the running for our fifth Manager of the Month of this FNL season? Well leading the way with just five days to go is Wightman Aussie with 1,891pts they are 27pts ahead of second placed Ashby Road Rovers and 49pts ahead of third placed Sodbury Strikers. The top ten in the January 2019 Manager of the Month is currently covered by 91pts so it could be a very interesting finish to January 2019.

At the bottom is The Lowdown with 627pts, they are only 12pts adrift from their nearest rival Yab Toulouse. The bottom ten is covered by 141pts.

Again, this season I will be running a substitution comparison once a month starting in early February 2019. What I do is run a second FNL spreadsheet without your subs and then let you know how you would have done if you hadn't made those changes. If you would like to be part of this please send me an e-mail to the FNL Helpdesk or text me.
