

# Weekly update

Up to and including  
SATURDAY 23rd FEBRUARY 2019

Welcome to the latest update of Fantasy Non-League 2018/19. Today's update covers the period Sunday 17th February 2019 through to Saturday 23rd February 2019.

As you are reading this update you will realise, we have moved into the month of March 2019. So, who is in the running for the February 2019 Manager of the Month as we still have five days of February 2019 left? Leading the way is Leatherhead Pete with 1,651pts and they are 22pts ahead of second place Holloways Pool and 35pts ahead of third place Mix N Match. The top ten for February 2019 is covered by just 101pts, so anyone in that top ten is still in with a chance. For example, last week our current leader Leatherhead Pete was in 9th position nearly 100pts off the pace.

At the bottom it is a little bit clearer. Rothwell MOT Low are in bottom spot with 92pts and they are 78pts adrift from their nearest rival Hard Scrabble. The bottom ten is covered by 184pts.

There is still time to be part of the subs comparison exercise just contact the FNL Helpdesk and I will put you in the next comparison update in March.
