SATURDAY 6TH APRIL 2019

Welcome to the latest update of Fantasy Non-League 2018/19. Today's update covers the period Monday 1st April 2019 through to Saturday 6th April 2019.

In this week's update we take our monthly look at the main FNL 2018/19 table and who is in the running as we move into April 2019 and the final few weeks of this season's competition. In total we have about six weeks left of this season's FNL challenge.

Leading the way with 16,812pts is Stafford 4 Ever [S]. They are only 50pts ahead of second placed Pargyle [S] and in third place is AFC Federation [S] who is 102pts behind our current leader. In fourth place which also carries a cash prize at the end of the season is Jennie's Allstars with 16,537pts which is 275pts behind top spot. The top ten is covered by 604pts and the top twenty by 731pts.

At the bottom it is now really tight, remember the wooden spoon at the end of the season carries £100. Jennie's Jokers [S] are in bottom spot with 2,977pts they are only 3pts adrift from their nearest rival Hard Scrabble [S]. The bottom ten teams are covered by 1,120pts which is quite a gap.

Next week's update sees our third look at the substitute comparison. If you would like your team or teams to feature in this please contact the FNL Helpdesk.
