Up to and including
SATURDAY 27TH APRIL 2019

Welcome to the latest update of Fantasy Non-League 2018/19. Today's update covers the period Sunday 21st April 2019 through to Saturday 27th April 2019.

In this week's update we take a look at who is in the running for our final Manager of the Month award of this FNL season and that is of course April 2019. April 2019 as a month actually finished last Tuesday and we will name our final winners in next week's update. Leading the way at the moment is Narn Empire with 1,925pts they are only 5pts ahead of second placed Hugo's Heros and 47pts ahead of third placed Aston Manor CC. The top ten is covered by 103pts. So, it could still be a very tight finish.

At the bottom is Frickley 2nds who have been at the bottom for the whole of April 2019. They have just 422pts but they are only 2pts adrift from Hard Scrabble. The bottom ten is covered by 204pts but it looks as though it is going to be a straight battle between the bottom two.
