SATURDAY 7TH NOVEMBER**

Welcome to the latest update of Fantasy Non-League 2020/21. Today's update covers the period Sunday 1st November 2020 through to Saturday 7th November 2020.

This week I thought we would take our first look at the main FNL 2020/21 table. Leading the way is OIL BEEF HOOKED who have so far scored 4,021pts they are 91pts ahead of second placed BANIMS BOYS and 93pts ahead of third placed ROTHWELL LIONS. The top ten is covered by 223pts and the top fifty is covered by 437pts.

At the bottom is DEEJAY LOSERS with -764pts, they are 203pts adrift from their nearest rivals BACK OF THE NET and LOSERS AFC. The bottom ten is covered by 391pts.

A couple of pieces of house-keeping. A reminder that the transfer window for this season is a month later. It is normally during the month of November that I give you the

details you need to make any substitutions you might like to do. The substitution window this season will be the month of January 2021 with deadline being midnight on Sunday 31st January 2021. Further details will appear during the month of December 2020.

The second piece of house-keeping concerns the Stockport County v Chesterfield FA Cup 4th Qualifying Round tie that was originally played on Saturday 24th October 2020. Chesterfield won that game, but the FA ordered the game to be replayed due to a problem with one of the loan players at Chesterfield. Stockport County won the second game. So all the FNL points from the original game on the 24th October 2020 have been removed.

Finally. FNL 2020/21 will continue to run through the month of November 2020 while the national lockdown is
