NON-LEAGUE

WIN  
£5000

2020/21

WEEKLY  
UPDATE

UP TO AND INCLUDING  
SATURDAY 26TH DECEMBER

Welcome to the latest update of Fantasy Non-League 2020/21. Today's update covers the period Sunday 20th December 2020 through to Saturday 26th December 2020.

Can I wish you all a very Happy New Year and let's hope for a better year in our lives and a much calmer Fantasy Non-League year.

Normally the festive two weeks is one of the busiest times for the competition. But sadly, in the current circumstances that is not the case. This week for example nine of you scored no points at all and our current leader in the main FNL 2020/21 league OIL BEEF HOOKED only managed to score 33pts.

As we now fast approach the end of another month let's see who is in the running for the

By Ian White

December 2020 Manager of the Month. Leading the way as he has for the last three weeks is THE WARRIORS with 1,130pts he is 84pts ahead of second placed ELGZANDE XI and 106pts ahead of third placed UNATHLETIC. The top ten is covered by 205pts. In a normal world I would say that could end up being a close finish but with the lack of games at the moment it will take a real surprise to overturn our December 2020 leader.

At the bottom where there is £50 up for grabs it is a little closer with AFC OKEFORD FITZ U sitting in bottom spot with -47pts, they are 16pts adrift from their closet rival MSJ FC 2020. The bottom ten is covered by 161pts.
